

Miryam

Oltre le Nebbie Graphics

About Me

A long-time blogger active in online communities and forums since 2002. I'm now focusing on digital graphics and hand-coding web projects without IA. I'm also a musician, journaling lover, and vintage aesthetic fan. Oh, and a witch, of course!

Experience

Customer Care & Client Support Specialist (15+ Years)

- Managed multi-channel client support, conflict resolution, and user communications with patience and consistency.
- Maintained high standards of client satisfaction, problem-solving, and workflow organization.

Web Creator & Independent Developer | Oltre le Nebbie (2021 – Present)

- Hand-coded personal websites and web skeletons using clean HTML/CSS without reliance on heavy frameworks or algorithms.
- Created custom digital graphics, layouts, and visual assets for independent online projects.
- Active member of the Indie Web movement, fostering connections across digital communities.
